

# ARCHERY VICTORIA STATE TEAM SELECTION PROCESS - 2024 NYAC

# AV STATE TEAM

## WHAT IS IT

The Archery Victoria (AV) State Team is selected from members of Archery Victoria to represent our association and our sport both at major events and also to the community in general.

Selection to the State Team is an achievement based on high performance and should be seen as part of the pathway of progression in the sport.

Selection should be made on merit and be an achievement worth aspiring to.

Archery Victoria will select teams regardless of events in order to help promote this pathway and give this recognition to these archers.

## TEAMS TO BE SELECTED

**State Target Team: Adult Team for the National Target Championships**

**State Youth Team: Youth Team for the National Youth Championships**

**State Indoor Team: Adult and Youth Teams for National Indoor Championships**

**State Field Team: Adult and Youth Field Team**

**State Para and VI Team: Team attending the National Para and VI Championships**

These Teams will all consist of a Recurve Team, Compound Team and Barebow Team, with the Barebow Team consisting of Barebow Recurve, Barebow Compound and Longbow unless specified differently for the major event.
