

## 2025 Archery Victoria Youth Development Weekend

Feedback from our Victorian youth athletes that were involved in the National Youth Archery Championships (NYAC) last year that highlighted the desire to have some training events in the lead up to the competition Supporting this request Archery Victoria (AV) will be holding its first **Youth training weekend Jan 11,12 &13** this year. Hosted by Geelong Archers.

The three days will allow our Youth Archers to train and be coached through the range of events that we will see at this years YNAC. It is also designed to be fun, and bring our like minded Victorian Archers together for a school holiday event. Even if you are not planning to compete in Canberra next year but are looking for a weekend to test your skills and develop this could be for you. Archers will need to be comfortable to shoot their 2025 QRE distances. If you need clarification here please contact your home clubs.

Program outline is listed below.

- Entry via Archers Diary is essential before **Friday Jan 3rd.**
- Archery Victoria will be covering the cost of the event over the three days.
- Open to All divisions U21 to U14
- Children Under 16 Years old will require a designated adult to be in attendance on each day.
- Any Further information please contact [secretary@geelongarchers.com.au](mailto:secretary@geelongarchers.com.au) or Barnaby Gray on 0418 615 512
