

# A Shot in the Dark

Over four nights, archers from across Victoria will shoot together: no age divisions, no gender divisions, no bow- type divisions. Just archers on the line. The more nights you shoot the more chances to win the grand prize.

(Think of it like tickets in a raffle, if you shoot 1 night you have 1 chance if you shoot 2 you have 2 chances, 3 nights 3 chances and 4 nights 4 chances)
